THE GERMANIC REVIEW
Guidelines for Submitting Manuscripts

The Germanic Review publishes scholarly research in all areas of German literature from the medieval period to the present. Articles are accepted in English or German.

Manuscripts should be submitted in duplicate. Doublespace the text, quotations, endnotes, and works cited on one side of bond paper, 8½ ı 11 inches, with four margins of 1½ inches. Document references and sources parenthetically within the text, not in the endnotes. These are reserved for essential matters of substance that cannot be accommodated in the text; limit the number and length of your annotations. Give complete bibliographical data, including the publisher, under Works Cited.

For a clear presentation of parenthetical documentation, endnotes with content, and works cited, see *PMLA* 97.3 (May 1982):307–08, 318–24. Refer to the latest issue of *PMLA* for models and to *The MLA Style Manual (1985)* for answers to questions of detail.

Heldref Publications asks authors to submit article and book review manuscripts both on diskette and in hard copy (in duplicate as detailed in the second paragraph) as back-up. The preferred diskette formats are Microsoft Word 5.0 (or higher) or WordPerfect 5.1 (4.0 or higher is acceptable). We also prefer high-density 3½″ diskettes (5¼″ diskettes are acceptable), formatted for a Macintosh or IBM compatible PC. Please label the disk with format information, file name(s), and authors(s) names.

Authors will receive a copy of the "first pages" for their review.

Two copies of the journal are furnished gratis to each author of an article or review.

Manuscripts and books for review should be sent to *The Germanic Review*, Department of Germanic Languages, Hamilton Hall, Columbia University, New York, NY 10027.
